# LAW-ENFORCEMENT BOATS

---

ACES OF THE SEA

YOU NEED A BOAT  
THAT'S READY TO GO  
WHEN YOU ARE

## PROFESSIONALS LOVE ASIS BOATS

ASIS Boats is our local rigid inflatable boats provider, their boats are fast, efficient and reliable, but the number one factor that always brings us back to ASIS Boats is their excellent consultancy services. We can always rely on quick, reliable and comprehensive after sales service wherever we are in the UAE.

**DUBAI COAST GUARD**

We saw during our short visit here at the ASIS factory, your hard work and dedication. You have to be proud of your work. You made an excellent boat... The Brazilian Army considers all your effort and thanks each and everyone...

**BRAZILIAN ARMY  
COLONEL TO THE  
ASIS TEAM**

"The boats work very well and handle great even during bad weather. Thank you for your very fine work."

– Mark Beau Bigler –  
(Chief Fisheries Officer  
Oceanic Division).

**MARSHALL ISLANDS  
MARINE RESOURCES  
AUTHORITY**

We test ASIS Boat's twin 350 powered Super RIB before it heads to the Lebanon. Some say it's the world's most sophisticated rigid inflatable hull, we'd be inclined to agree.

**COASTAL SAFETY'S  
STEVE HOLMES**

Founded in 2005

ASIS Boats is a global, and unrivalled, market leader in the design and the manufacture of very advanced rigid hull inflatable boats and inflatables for the professional mariner with very stringent requirements.

ASIS differs from most boat builders as we manufacture almost every component in-house.

More detailed information is available on our website: [www.asisboats.com](http://www.asisboats.com)

## WE KNOW **WHAT IS RIGHT FOR YOU!**

**100+ YEARS**  
of combined boat-building expertise

**121,000 SQ. FOOT**  
Vertically integrated, carbon-negative production facility

**150+ EXPERIENCED PROFESSIONALS**  
ready to take on any challenge you might have

**80+ COUNTRIES**  
using ASIS RHIBs

**3,500+ RHIBs**  
in service\*

**18+ YEARS**  
Years in Business

ASIS boats come with European CE, NMMA and ABYC approvals. ASIS Boats also have approvals from different maritime authorities including USCG Sub-Chapter T, SOLAS, AMSA.

\*6.5m and above.

At ASIS Boats, our range of Law Enforcement boats are designed to make your role easier, faster, and safer

© 2018 John Linn, Adventure Studios

**OUR LAW ENFORCEMENT RIBS ARE BUILT STRONG WITH OUTSTANDING HANDLING AND THE HIGHEST PERFORMANCE HULLS DESIGNS. THEY ARE EQUIPPED WITH THE LATEST MOST ENHANCING FEATURES DELIVERING YOU A MOST EFFICIENT, ROBUST AND COMFORTABLE PATROL BOAT.**

When dealing with any emergency, your absolute focus should be on the success of your mission. The last thing you need to be worrying about is the safety and reliability of your boat.

As part of our own mission to equip you with the safest and best boats available, we provide free training with every delivery. You should not have to think twice about how to operate your boat or whether the vessel is up to the task.

# ADVANCED FIBERGLASS/GRP HULL

## 1 FIBERGLASS (AIR HULL®)/ GRP (GLASS REINFORCED PLASTIC)

Our exclusive Air Hull® formed by Reverse Concave U Chines Hull design greatly adds to the boat's sea-keeping, guaranteeing your boat will out-perform any other boat with precise turning capabilities, inherent lift and the ability to navigate in more extreme sea conditions.

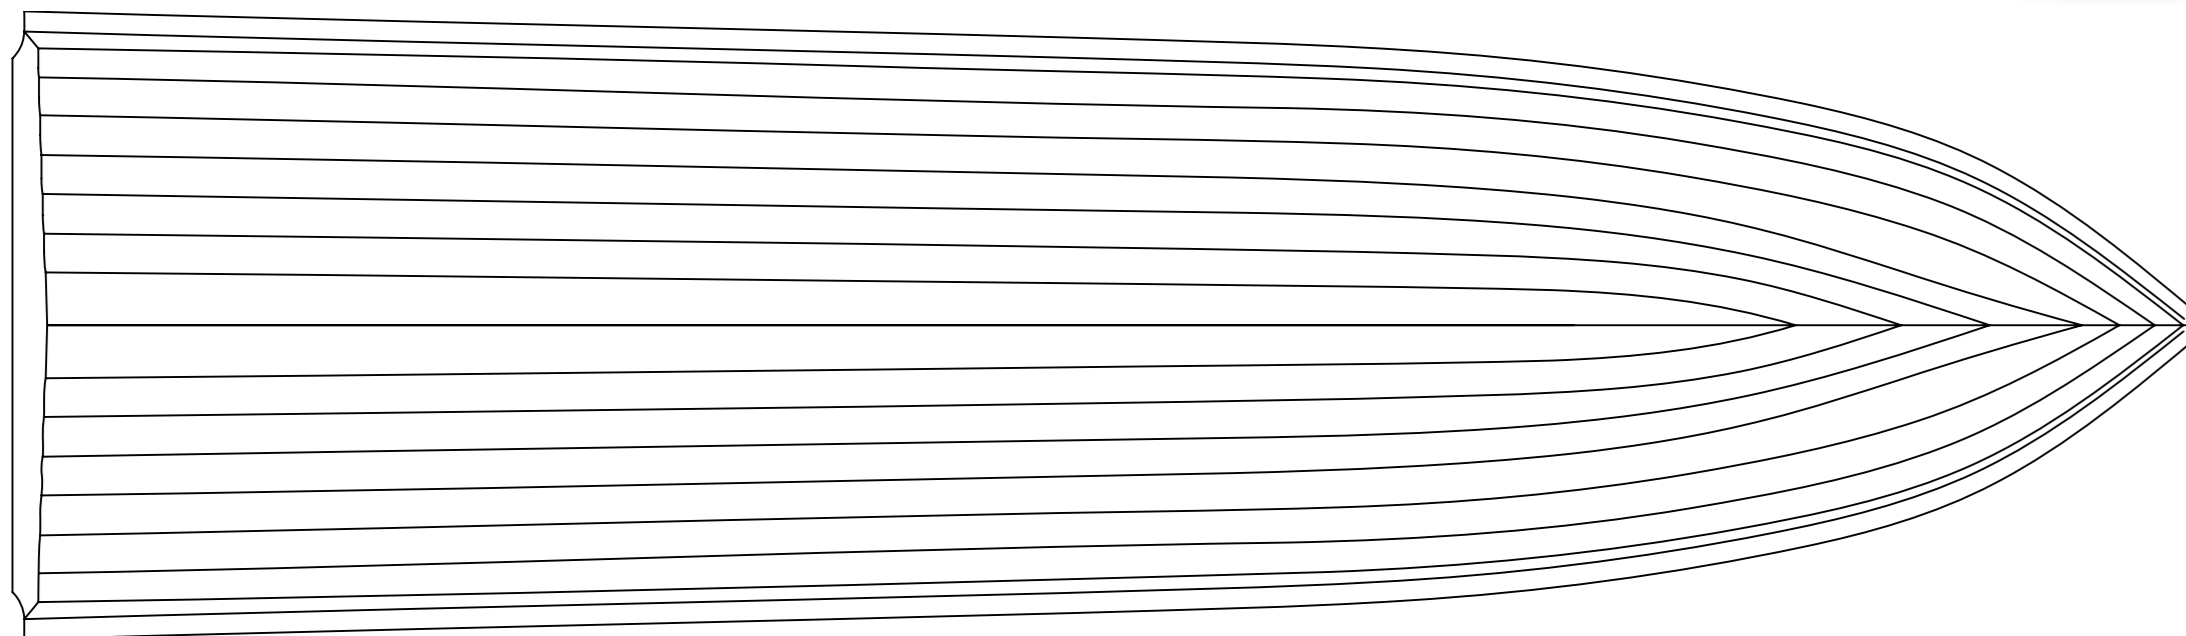

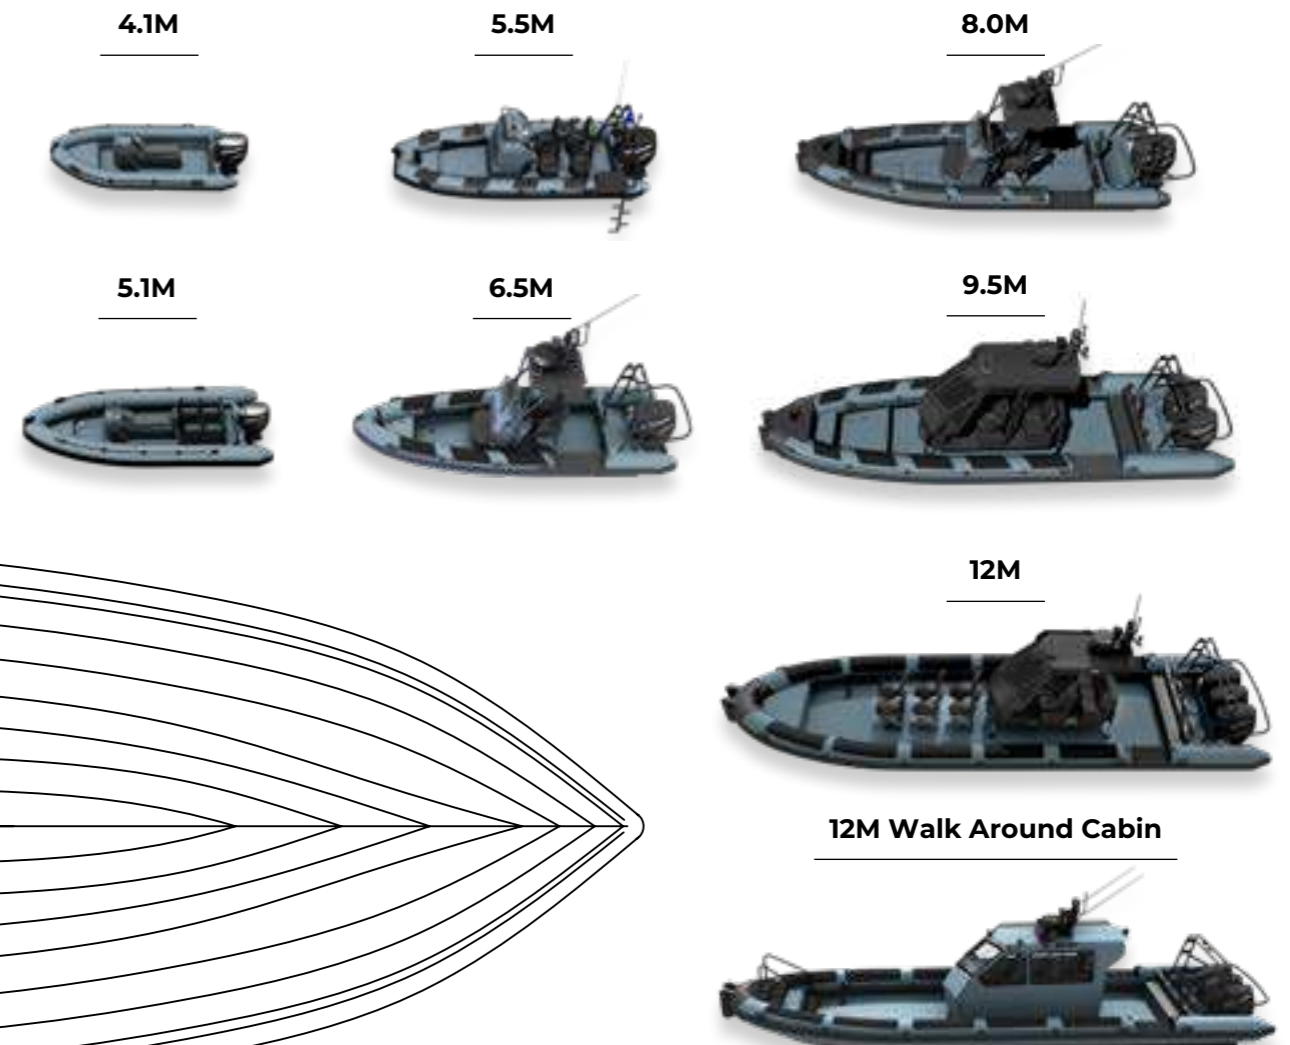

The design of the hull also offers a vastly improved wave deflection resulting in a much drier ride.

### REVERSE U CHINES HULL

Very dynamic and high-performance hull with Reverse Concave Chines:

- Extraordinary high-end speed
- Tight tactical-turning capabilities
- An extra lift resulting in :
  - Reduced fuel consumption
  - Increased vessel range
  - Dryer ride

## FIBERGLASS/GRP BOATS RANGE

**LE-6.5**  
MODEL

**LE-6.5S**  
MODEL

## LE-6.5 STANDARD EQUIPMENTS:

### VESSEL GRP HULL

- ASIS Boats 6.5M Law Enforcement RHIB "Turn-Key Ready" GRP Constructed in Military Grey

### ENGINE

- Single Mercury 4 Stroke F225 V6 XL Outboard Engines with DTS Fly By Wire binnacle-mount Remote control, Hydraulic steering system, Vessel view 5", Steering wheel, Battery, Stainless Steel propeller etc.

### TUBE SET

- Tube-Set Spec. Military Thickness, 1670 Dtex. "Military Grey Color" w/ Black Markings; Seven (5) compartmentalized chambers w/ inflation and over-pressure relief valves
- Molded Rubber Handles on tube-set
- External & Internal Safety Grab Lifelines
- Neoprene Step Treads (all-around)
- Triple Fendering "Sharks-Tooth" Rub-Strake on Tube-Set
- Hypalon Fabric, Black Color Organizational Name

### DECK / VESSEL

- Anchor locker
- 3 U-Bolts (1 on Bow 2 on Transom)
- 12VDC Air Inflation Pump
- Approved Aluminum Fuel Tank 225L

### LIFTING

- Stainless Steel Heavy Duty Lifting Points (2 Foredeck and 2 Aft deck)

### CONSOLE / SEATING

- Two-Man Futura Console W/ Forward Seat, w/Grab Rail and Windscreen
- ASIS Single Jockey Straddle Seat with side support wings (for Operator and Co-Pilot).

### DECK / STRUCTURE

- Engine pit
- HD T-Top mounted on console with Elex Box and Overhead Lumitec LED Tri-Color Lighting
- Aft A-Frame Arch
- Outboard Engine Guard
- Forward HD Bollard/Tow Post
- Aft HD Tow Post
- Full Length Keel Guard (From Bow Eyes to Transom)

### LIFE SAFETY / SAR

- Life Equipments fasteners
- Offshore 95 Compass Dash Mounted
- USCG Approved Fire Extinguishers
- 20" USCG Approved Throwable Ring Buoy

### ELECTRONICS

- Automatic Electric Bilge Pump High Capacity with Float Switch
- 12VDC Electric Distribution Bus/ System with Breaker Panels & Battery Isolators
- Batteries AGM Battery Banks, Trays, Selector Switches
- Automotive Style Accessory Receptacle 12VDC & 12VDC USB

### ELECTRONICS / COMMS

- Garmin @210 VHF Radio with DSC, AIS and Loud Hailer
- VHF Antenna and HD Mounting Base
- Whelen® Siren/PA System

### ELECTRONICS / NAV

- GARMIN GPSMAP 8410 XSV 10" inch with Sonar Combo, Multifunction Display Chart Plotter, WiFi Connectivity, In-hull Transducer & Bluechart G2 Vision
- GARMIN GMR 18HD+ 18NM Marine Radar Scanner
- McMurdo Smartfind EPIRB E8

### LIGHTING

- LED Vessel Navigation Lights IAW COLREGS
- LED Diffused, Flood lights/ "Scene-Lights"
- LED Law Enforcement Light Bar (LED Color Red)
- Remote Search Light with joystick control

### PACKAGING

- Packaging and Shrink-wrap

### PROTECTION

- Anti-Fouling Bottom Paint and Barrier Coating

### ROAD-TRAILER

- Priced on Request

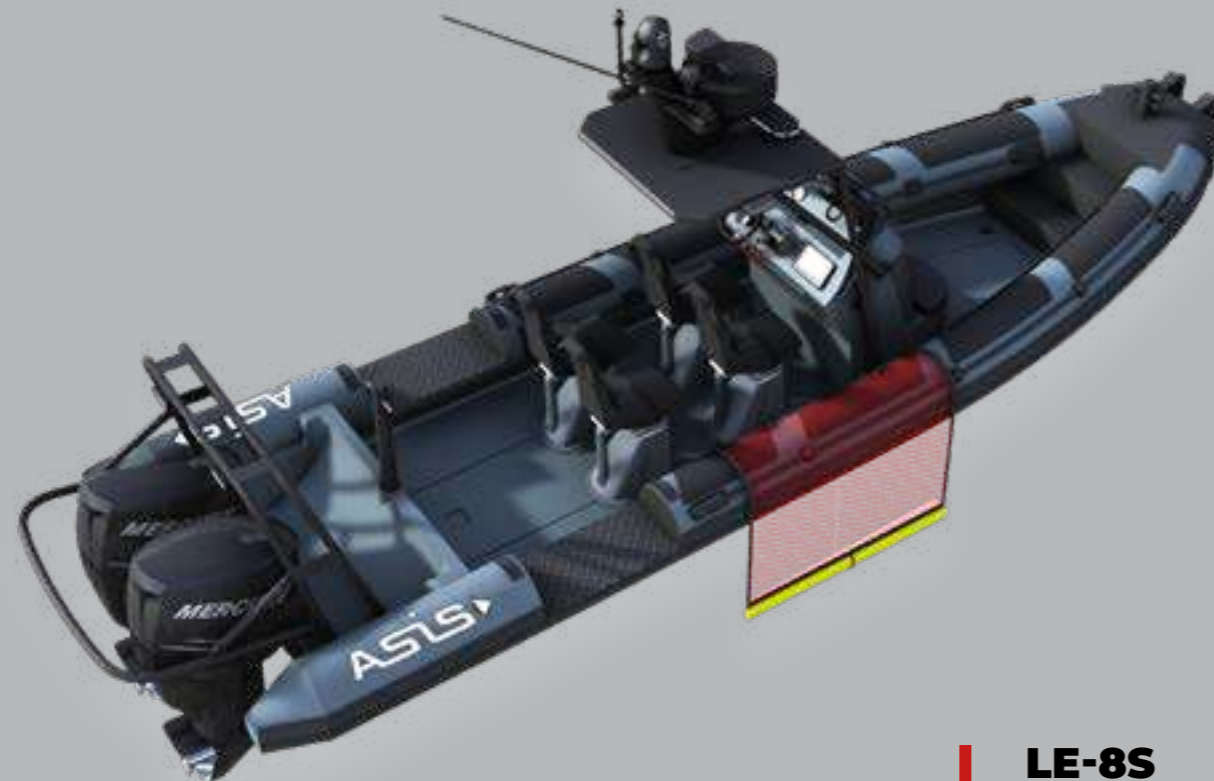

## LE-6.5S

### ALL LE-6.5 STANDARD EQUIPMENTS IN ADDITION TO THE BELOW ACCESSORIES

1. Ullman BISCAYA Jockey Suspension Seat w/side handles (for Operator and Co-Pilot)
2. Rescue/Diver-Notch(s) on Tube Set
3. MARSARS® Man Overboard (Parbuking) Man Overboard (MOB) Rescue Net
4. GARMIN GPSMAP 8410 (10" inch) Multifunction Display Chart Plotter, WiFi Connectivity (for FLIR camera Display)
5. M232 Thermal IP Camera 9Hz 320x240 with Joy Stick Remote control

**LE-8**  
MODEL

**LE-8S**  
MODEL

## LE-8 STANDARD EQUIPMENTS:

### VESSEL GRP HULL

- ASIS Boats 8.0M Law Enforcement RHIB "Turn-Key Ready" GRP Constructed in Military Grey

### ENGINE

- Single Mercury Verado F300 V8 XL Outboard Engines with DTS Fly By Wire binnacle-mount Remote Control, Electro-Hydraulic Steering system, Vessel View 5", Steering Wheel, Battery, Stainless Steel Propeller etc.

### TUBE SET

- Tube-Set Spec. Military Thickness, 1670 Dtex. "Military Grey Color" w/ Black Markings; Seven (5) compartmentalized chambers w/ inflation and over-pressure relief valves
- Molded Rubber Handles on tube-set
- External & Internal Safety Grab Lifelines
- Neoprene Step Treads (all-around)
- Triple Fendering "Sharks-Tooth" Rub-Strake on Tube-Set
- Hypalon Fabric, Black Color Organizational Name

### DECK / VESSEL

- Anchor locker
- 3 U-bolts (1 on bow, 2 on transom)
- 12VDC Air Inflation Pump
- Approved Aluminum Fuel Tank 225L

### LIFTING

- S.S Heavy Duty Lifting Points (2 Foredeck & 2 Aft deck)

### CONSOLE / SEATING

- Two-Man Futura Console W/ Forward Seat, w/Grab Rail and Windscreen
- ASIS Single Jockey Straddle Seat with side support wings (for Operator, Co-Pilot and Crews)

### DECK / STRUCTURE

- Engine pit
- HD T-Top mounted on console with Elex Box and Overhead Lumitec LED Tri-Color Lighting
- Aft A-Frame Arch
- Outboard Engine Guard
- Forward HD Bollard/Tow Post
- Aft HD Tow Post
- Full Length Keel Guard (From Bow Eyes to Transom)

### LIFE SAFETY / SAR

- Life Equipments fasteners
- Offshore 95 Compass Dash Mounted
- USCG Approved Fire Extinguishers
- 20" USCG Approved Throwable Ring Buoy

### ELECTRONICS

- Automatic Electric Bilge Pump High Capacity with Float Switch
- 12VDC Electric Distribution Bus/ System with Breaker Panels & Battery Isolators
- Batteries AGM Battery Banks, Trays, Selector Switches
- Automotive Style Accessory Receptacle 12VDC & 12VDC USB

### ELECTRONICS / COMMS

- Garmin @210 VHF Radio with DSC, AIS, and Loud Hailer
- VHF Antenna and HD Mounting Base
- Whelen® Siren / PA System

### ELECTRONICS / NAV

- GARMIN GPSMAP 8410 XSV 10" inch with Sonar Combo, Multifunction Display Chart Plotter, WiFi Connectivity, In-hull Transducer & Bluechart G2 Vision
- GARMIN GMR 18HD+ 18NM Marine Radar Scanner
- McMurdo Smartfind EPIRB E8

### LIGHTING

- LED Vessel Navigation Lights IAW COLREGS
- LED Diffused, Flood lights/ "Scene-Lights"
- LED Law Enforcement Light Bar (LED Color Red)
- Remote Search Light with joystick control

### PACKAGING

- Packaging and Shrink-wrap

### PROTECTION

- Anti-Fouling Bottom Paint and Barrier Coating

### ROAD-TRAILER

- Priced on Request

## LE-8S

### ALL LE-8 STANDARD EQUIPMENTS IN ADDITION TO THE BELOW ACCESSORIES

1. Ullman BISCAYA Jockey Suspension Seat w/side handles (for Operator, Co-Pilot and Crews)
2. Rescue /Diver-Notch(s) on Tube Set
3. Twin Mercury 4 Stroke F225 V6 XL/CXL Outboard engines with DTS Fly By Wire Binnacle-mount remote control, Hydraulic steering system, Vessel view 7", Steering wheel, Tie bar, Battery, Stainless Steel Propeller, etc.
4. MARSARS® Man Overboard (Parbukling) Man Overboard (MOB) Rescue Net
5. Aluminum bow guard with pushing knee
6. GARMIN GPSMAP 8410 ( 10" inch) Multifunction Display Chart Plotter, WiFi Connectivity (for FLIR camera Display)
7. M232 Thermal IP Camera 9Hz 320x240 with Joy Stick Remote control

# ADVANCED ALUMINUM HULL

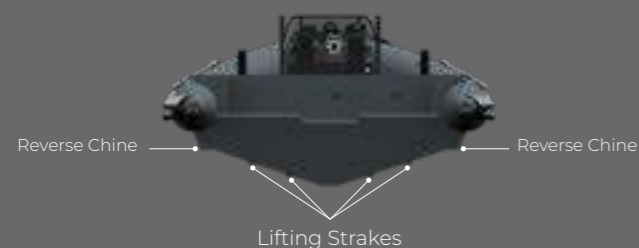

## 2 ALUMINUM HULL BOATS

- Fully Customizable boat designed as per your needs.
- Design tested on special Naval architect software to assess and optimize vessel performance.
- Only Marine Grade Aluminum Sheets are used.
- No wood construction, Full Aluminum (Flooring & Transom)
- Sheets are cut by robotic medical grade CNC machines equipment with the best tolerances in the industry.

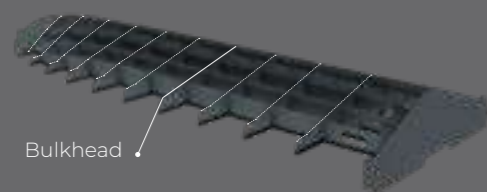

## ALUMINUM BOATS RANGE

### Reverse Chines :

- Stability at rest
- Dryness of ride
- Lower planning speeds
- Enhanced directional stability

### Lifting Strakes :

- Reduce the wetted surface area and drag to give more support to the hull

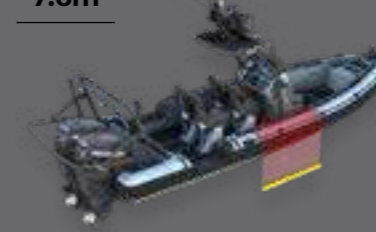

• A moderately sharp entry and generous deadrise with high chine hull.

## LEA-11 STANDARD EQUIPMENTS:

### VESSEL GRP HULL

- ASIS Boats Aluminum 11.25M Law Enforcement RHIB "Turn-Key Ready"
- V-shaped hull, deck and structure are constructed in marine grade aluminum alloy 5086
- Treadmaster heavy duty Neoprene anti slip deck coverings
- Hull and Deck painted in Military Grey color

### ENGINE

- Triple Mercury Verado F300 V8 XL/XXL/CXL Outboard Engines with:
- DTS Fly By wire binnacle-mount Remote Control
- Electro-Hydraulic Steering system
- Vessel View 7"
- Steering Wheel
- Tie Bar
- Batteries
- Stainless Steel Propeller etc

### TUBE SET

- Tube-Set Spec. Military Thickness, 1670 Dtex. "Military Grey Color" w/ Black Markings; Nine (9) compartmentalized chambers w/ inflation and over-pressure relief valves
- Molded Rubber Handles on tube-set
- External & Internal Safety Grab Lifelines
- Neoprene Step Treads (all-around)
- Triple Fendering "Sharks-Tooth" Rub-Strake on Tube-Set
- Hypalon Fabric,
- Black Color Organizational Name

### DECK / VESSEL

- Anchor locker
- 3 U-bolts (1 on bow, 2 on transom)

- 12VDC Air Inflation Pump
- Approved Aluminum Fuel Tank 300L

### LIFTING

- S.S Heavy Duty Lifting Points (2 Foredeck & 2 Aft deck)

### CONSOLE / SEATING

- Two-Man Futura Console W/ Forward Seat, w/Grab Rail and Windscreen
- ASIS Single Jockey Straddle Seat with side support wings (for Operator, Co-Pilot and Crews)

### DECK / STRUCTURE

- Engine pit with built-in aft seat (for 5 PAX)
- HD T-Top mounted on console with Elex Box and Overhead Lumitec LED Tri-Color Lighting
- Aft A-Frame Arch
- Outboard Engine Guard
- Forward HD Bollard/Tow Post
- Aft HD Tow Post
- Full Length Keel Guard (From Bow Eyes to Transom)

### LIFE SAFETY / SAR

- Life Equipments fasteners
- Offshore 95 Compass Dash Mounted
- USCG Approved Fire Extinguishers
- 20" USCG Approved Throwable Ring Buoy

### ELECTRONICS

- Automatic Electric Bilge Pump High Capacity with Float Switch
- 12VDC Electric Distribution Bus/ System with Breaker Panels & Battery Isolators
- Batteries AGM Battery Banks, Trays, Selector Switches

- Automotive Style Accessory Receptacle 12VDC & 12VDC USB

### ELECTRONICS / COMMS

- Garmin @210 VHF Radio with DSC, AIS, and Loud Hailer
- VHF Antenna and HD Mounting Base
- Whelen@ Siren / PA System

### ELECTRONICS / NAV

- GARMIN GPSMAP 8410 XSV 10" inch with Sonar Combo, Multifunction Display Chart Plotter, WiFi Connectivity, In-hull Transducer & Bluechart G2 Vision
- GARMIN GMR 18HD+ 18NM Marine Radar Scanner
- McMurdo Smartfind EPIRB E8

### LIGHTING

- LED Vessel Navigation Lights IAW COLREGS
- LED Diffused, Flood lights/ "Scene-Lights"
- LED Law Enforcement Light Bar (LED Color Red)
- Remote Search Light with joystick control

### PACKAGING

- Packaging and Shrink-wrap

### PROTECTION

- Anti-Fouling Bottom Paint and Barrier Coating

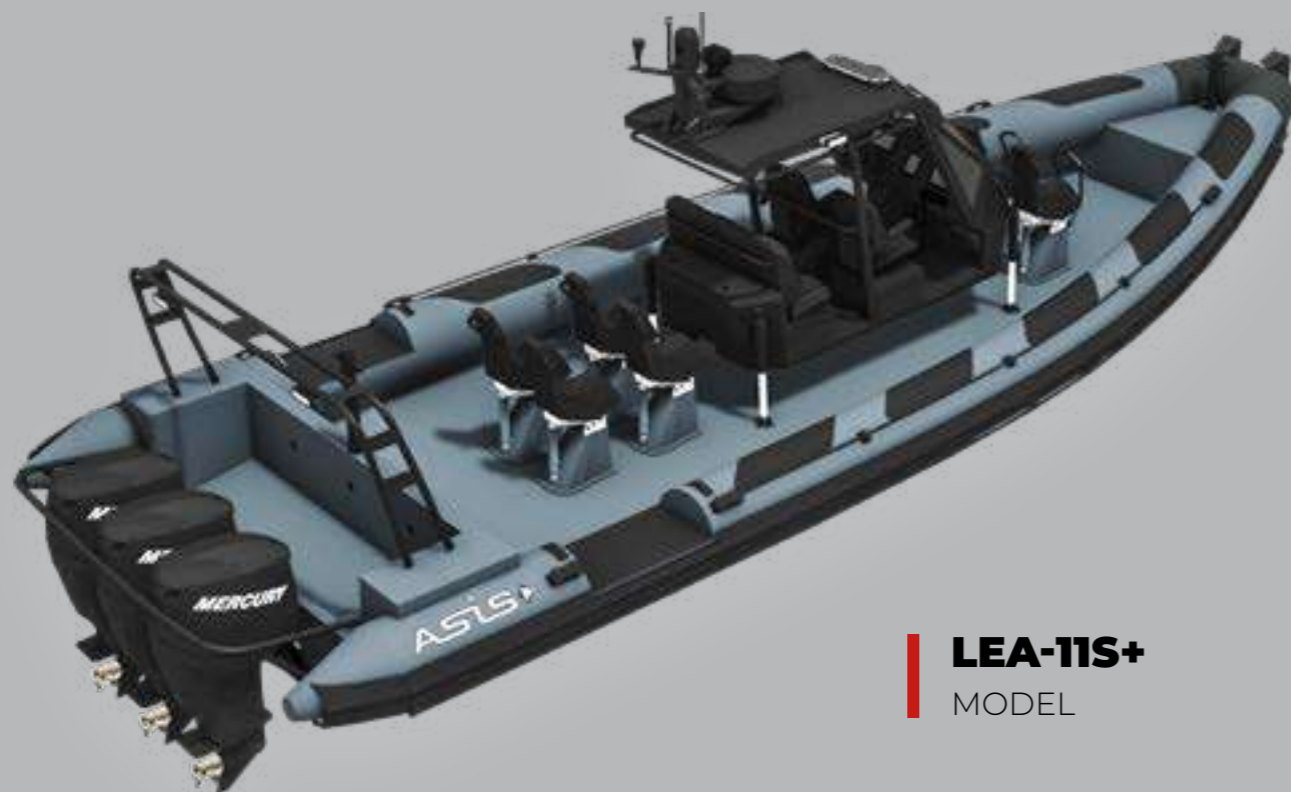

### ROAD-TRAILER

- Priced on Request

## LEA-11S

### ALL LEA-11 STANDARD EQUIPMENTS IN ADDITION TO THE BELOW ACCESSORIES

1. Ullman BISCAYA Jockey Suspension Seat w/side handles (for Operator, Co-Pilot and Crews)
2. Rescue /Diver-Notch(s) on Tube Set
3. MARSARS@ Man Overboard (Parbukling) Man Overboard (MOB) Rescue Net
4. Aluminum bow guard with pushing knee
5. GARMIN GPSMAP 8410 (10" inch) Multifunction Display Chart Plotter, WiFi Connectivity (for FLIR camera Display)
6. M232 Thermal IP Camera 9Hz 320x240 with Joy Stick Remote control

**LEA-11S+**  
MODEL

## LEA-11S+

### ALL LEA-11 STANDARD EQUIPMENTS IN ADDITION TO THE BELOW ACCESSORIES

1. "Shockwave® Integrated Control Environment (ICE-3) Five-Man, SW-ICE3005R, Shock-Mitigating Console (black color) with Folding/Hinged Rooftop Electronics Arch and FOX Float H20 racing shock absorbers and AUTOTUNE® inflation system functionality"
2. "Console cover to fit Shockwave® ICE-3 Five Man, SWICE3005R, Windshield wipers and wash-down capability and Agency specific markings/decals to be provided by customer"
3. Ullman BISCAYA Jockey Suspension Seat w/side handles (for Operator, Co-Pilot and Crews)
4. Rescue /Diver-Notch(s) on Tube Set
5. MARSARS® Man Overboard (Parbukling) Man Overboard (MOB) Rescue Net
6. Aluminum bow guard with pushing knee
7. GARMIN GPSMAP 8410 ( 10" inch) Multifunction Display Chart Plotter, WiFi Connectivity (for FLIR camera Display)
8. M232 Thermal IP Camera 9Hz 320x240 with Joy Stick Remote control

MODEL

## LEA-11 CABIN

### ALL LEA-11 STANDARD EQUIPMENTS IN ADDITION TO THE BELOW ACCESSORIES

1. Ullman BISCAYA Jockey Suspension Seat w/side handles (for Operator, Co-Pilot and Crews)
2. Rescue /Diver-Notch(s) on Tube Set
3. MARSARS® Man Overboard (Parbukling) Man Overboard (MOB) Rescue Net
4. Aluminum Cabin (Tinted Tempered sliding side windows, Wiper with water reservoir tank, Cabin interior light)
5. On board Marine 5KVA, 1ph, 230V, 50hz Diesel Generator and 15000 BTU Marine A/C
6. Forward Deck-Mounted Boarding Team Hand Railing
7. Aluminum bow guard with pushing knee
8. GARMIN GPSMAP 8410 ( 10" inch) Multifunction Display Chart Plotter, WiFi Connectivity (for FLIR camera Display)
9. M232 Thermal IP Camera 9Hz 320x240 with Joy Stick Remote control

# CUSTOMIZABLE LAW ENFORCEMENT SOLUTIONS

If your team is in need of deck-arrangements, features and equipment different than what's offered in our standardized range, a member of our ASIS Boats team will be pleased to meet with you to help develop a customized maritime solution as per your unique requirements.

At ASIS Boats we pride ourselves on delivering the best possible personalized solutions using state-of-the-art innovations, top quality products and the shortest delivery time in the industry.

Carrying on our extensive experience in building boats for military & professional applications, ASIS Boats builds RHIBs that surpass operational requirements for Law Enforcement missions.

# OFFERING

## AN ADVANCED SOLUTION

Our boats meet and exceed stringent approvals including: ABYC, European CE, USCG Sub-Chapter T, SOLAS and Australian Maritime Safety Authority (AMSA)

### Types

- Rigid Inflatable Boats
- Amphibious Boats
- Inflatable Boats

### Hulls

- Fiberglass (Air Hull®) / GRP (Glass Reinforced Plastic)
- Aluminum

### Sponsons

- Air
- Foam (Hyb Foam®)

### Size Range

- FI: 2.8m - 6m
- RIBs: 4.2m to 14m

### Engine/ Drive

- Outboard
- Inboard (Stern & Jet)

### 360° Approach

- Consultation
- Training
- After-Sales Service

# OUR **FACTORY**

At ASIS Boats, we have an extensive program of design and manufacturing. Always looking to exceed our customer's need, innovation is an essential part of who we are. Moreover, all our boats, as well as their accessories and engine rigging, are done in-house, giving us the highest standard in the industry. Our utmost attention to details however small they are including in areas that are not visible to you means that we will build for you an outstanding boat that will fulfill your toughest missions.

## **CERTIFICATIONS:**

- ISO 9001:2015 (Quality)
- ISO 14001:2015 (Environment)
- ISO 45001:2018 (Health & Safety)
- DNV GL Shop Approval

# CARBON NEGATIVE **FOOTPRINT**

**We are a negative carbon footprint company providing 100% of the factory's energy need with some to spare. We have invested in solar installation and we can now boast an impressive 1,000 MW of solar photovoltaic (PV) capacity across 1,394 installations.**
